

EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION POLICY STATEMENT

July 1, 2019

Federal and state laws prohibit employment discrimination. As Founder & CEO of Veracity Consulting, Inc. (Veracity), I am committed to the principles and practices of equal employment opportunity and reaffirm our intent to comply with federal, state, and local laws and regulations prohibiting discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other legally protected characteristics protected under federal, state, or local laws. Our intent is to ensure that personnel actions are administered in compliance with these laws and in conformance with our Affirmative Action Program (AAP). Personnel actions include, but are not limited to: employment, promotion, transfer, recruitment or recruitment advertising, layoff or termination, recall from layoffs, company-sponsored educational, social, and recreational programs, benefits, rates of pay or other forms of compensation, and training.

Amy Riedel, Veracity's Director of Talent and Equal Employment Opportunity (EEO) Officer, is responsible for the implementation and administration of the AAP. With the cooperation and assistance of appropriate staff and operating personnel, the Director of Talent/EEO Officer will monitor the company's performance and report results to me. Data may include outside hires, promotions, transfers, terminations, identification of problem areas, and if necessary, a recommended plan of action. Any employee who has a question regarding our AAP may discuss the matter with Amy Riedel at 913-220-1725.

The Affirmative Action Program for Individuals with Disabilities and Protected Veterans is available for review by any employee, or applicant for employment, during normal business hours by contacting the Director of Talent/EEO Officer at the above number.

Discrimination on-premises or on-the-job will not be tolerated. Employees of, and applicants to, Veracity will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have filed a complaint, assisted in a review, investigation or hearing, or have otherwise sought to obtain their legal rights related to any federal, state, or local law regarding equal employment opportunity. Personnel found guilty of violating this directive will be subject to discipline and possible termination.

I ask your continued support in attaining Veracity's objective of equal employment opportunity.

Angela Hurt
Founder & CEO
